

Pat "Paddy" Schnurr Memorial Scholarship

Debbie Ferguson, our Founder, began Compass High School because she saw a need for a place of positivity where learning and growth could thrive. We have learned from Debbie that mutual respect, trust, and positive relationships turn out to be essential elements in an educative environment. Paddy was our lifelong friend. He was also our trusted advisor, mentor, and cheerleader, and always the first in line to celebrate life.

Pat would be amused that we now celebrate hope for the future at our year end graduation by sharing his memory and his life in this way. He was a husband, father, lifelong member of Sertoma, businessman, and accountant, but is cherished most for his attitude toward life. He truly "never met a person he didn't like" and always brought the best out in everyone around him. He was, truly, our Pied Piper of Positivity.

Debbie and our staff are so proud of all our graduates. Our hope is that all of you become life-long learners and find meaning in your life. Most of all, we want you to develop positive relationships, friendships, and attitudes that lead you to a life of sharing your spirit with others. Become the new generation of Pied Pipers of Positivity!

Commencement Ceremony

Thursday, May 23rd, 2024
Compass High School - 8:00pm

2024 *Class of*

Compass High School
